The Original and Best Walking Tours

Original Florence Walk - Winter Special

Explore the Florentine winter magic with this limited time, privately guided tour.

Experience an altogether different side of Florence — quiet alleyways, piazzas nearly empty of crowds, and shorter lines — on this off-season winter walking tour of the historic city center. Led by one of our excellent local guides, this special tour takes you past all the main outdoor spaces and monuments, from Piazza del Duomo to see the Baptistery, Giotto's Bell Tower, the Gates of Paradise, and Brunelleschi's Dome, to Piazza della Signoria, Palazzo Vecchio, and so much more. Medieval and Renaissance Florence will come to life as you wander its alluring, mysterious streets. And afterwards, why not do some holiday shopping on Via Tornabuoni, Florence's high-end fashion district, or cross the river to the Oltrarno to explore the many local artisan workshops? Followed by a warming hot chocolate or glass of Chianti, naturally!
